We small children had such happy memories at your mom and dad's house in Hazlet. Your mom let me play with silly putty and eat a whole Hershey chocolate bar! She was ever the devoted mother to us kids and friend to my own mother and such a good Catholic. Well done good and faithful servant Phyllis. May you see the face of God.

Dear Anthony and Therese, I remember your kind, wonderful mother after 50 years. Although my family moved from Hazlet when I was 7, I still have wonderful memories of my early childhood spent in your backyard, and how your mom had me try my first peanut butter and jelly sandwich. She will be missed. My condolences to you and your extended family.

So sorry to hear about your mom. Although our time as neighbors was many years ago, I still have so many fond memories of our time in Hazlet. Your mom was a good friend of my mother and I hope they are together again sharing stories and memories.
