Woody was the definition of a true gentleman. He had such a wonderful sense of humor and generous heart. I have lots of friends but only a few really good friends. Mary and Woody were as good as they get. From Orange City Campground, beach trips, fishing, bringing up kids and enjoying all those cups of coffee, we had fun. Over the last 44 years we have always kept in touch no matter where we were. Laurie and Chrissy, you have always been part of our memories too. Our sincerest sympathy to you at this time. Thank you for calling us.

Laurie and Chris,So sorry to learn of your dads passing. I have many fond memories of how special he was. From always winning poker and pinochle card games (as we played late into the night while you kids played) to his gracious hospitality when we visited Florida. And yes he drove me and your mom nuts as he "yucked, yucked, yucked" with George! He was a dedicated family man, loving you all so very much. I hope all the special times you had with him will be the happy memories to sustain your grief at this time.Sadly missing a friend,The Sample Family(Pat, Jamie, Vicky, & Kelly)
