You would be so proud of our daughter! She looks so much like you, with your eyes and smile. Its almost 8 years you have been gone. Sometimes it feels like yesterday and other times it feels like its been an eternity. Scar and I miss you! She looks for you in butterflies. Thats her sign you are with us in spirit. Missing you and your mom!

My dear friend Marcus. Although you were young enough to be my son I learned alot from you. I hope and pray that you made your peace with our Savior. I will see you resurrection day my friend. Prayers to your family to help deal with your passing away.

Rich & Sue, my heart is so grieved by the tragic loss of your son. I am so very sorry you have to experience such sorrow. I'm lost for words but please know my fervent prayers asking that the Lord's presence will comfort your family. Marcus is in Heaven alive more than ever. Thank you Rick and Sue for being the godly parents that is required of you. Your reward will be great in Eternity. Lord, only you can heal the broken hearts with the anointing from the Blood of Jesus. Release it over this family and thank you for Marcus' life.
