So sad to hear of this. I have such good memories of my old friend Brad. When I pass by Richfield Park I think of all those times and I always smile. I wish i could ease all the pain his family is going through. You are all in my prayers and I know God will give you grace.

To my favorite one and only brother, I love you with all my heart and all my soul. I miss you. I will miss your voice, your cooking, your fishing stories, exploring theme parks with you and your conversation even though I did not share all the views you had. I have so many good memories of you and I thank you for all of them. I know your heart was broken when Grant and Beth died. I am comforted now knowing you are with them and I know I will see you again. But for now, part of my heart is missing. I love you my brother.
