My thoughts and prayers are with Alice's family as they adjust to life without their vivacious, funny, fun-loving sister, mother and friend. Janet, I will never forget your sister; she made a huge impact on me in the few days she was with us, in our home, here in Tampa. It was obvious she loved her family. You two were a delight to witness together! She made us laugh, giggle, cry and she was so generous to drive you to Tampa. My deepest condolences to you and her family as you go through this most difficult time. Love and light I send your way.
