Yes, there were plenty of GREAT times and memories in our Hughes Family that come to mind with Shawn in them. Dear Shawn, I still cannot believe that you have been taken to be with the angels. 47 years young. I will miss our chats about football, will miss seeing your bountiful garden of veggies. You were a great person, very kind and thoughtful. They say that everything happens for a reason... I will never understand why this happened, but I know that you will be looking down upon you family and friends each and everyday.
