To my friend, you are truly missed. For the past few years we have sat right across from each other, everyday, and often on weekends...sometimes working, but most of the time joking and laughing. You will forever be in my heart. Love you booger.

My dear cousin, our time together was short, but our laughter was great and your smiles, shyness, and sparkle in your eyes moved more than just my feelings for you, but for all everyone who came in touch with you. May the Lord provide Angels to watch over Gianna as she grows into the young woman you so desired. Love forever, Bobby and Family

My prayers and condolences to you Park, Marge, Heather and Gianna. Dawn was a beautiful young woman that had a genuine aura about her that you don't see very often. Her passing has definitely dimmed the light for those of us she left behind. Take solace in knowing that she is now resting in the hands of the Lord and you will see her again. I believe that Dawn is watching over the loved ones she left behind and with her doppelganger Miss G, you will always have a piece of her with you. I love you all very much. I am praying Dawn but most of all for you, her family, that your heart is able to heal and know that God is always with you. Love, Gayla Lippert and Kids
