Yolanda will be greatly missed! She was a wonderful person and a great neighbor. We will miss her terribly but I know that she is now in a much better place and is dancing with her husband again, all while feeling no pain! I know it's hard to deal with the pain of her passing but I am praying for your family and I hope you have some peace in knowing that someday you will see her again in heaven.

I would like to extend my condolences to the family and friends. It is not easy to lose someone you love but the Bible comforts us by promising that there is going to be a resurrection to life in the near future. John 5: 28, 29 holds out this hope. I hope this Bible passage provides you with the much needed comfort during this time.
