My heart is with Warnell's family today and everyday. I'm so saddened to hear of her passing BUT also REJOICING because we ALL KNOW...(((Shaking my head))) we all know... where she is, Who she is with and that ONE DAY we will be reunited with her! I mourn for not being able to see her, hug her and just know she is here with us in body. But honestly I am over come with joy! God has welcomed such an AMAZING angel which I have had the pleasure to LOVE, Know, and also receive her love in return in my life time.

Such a sweet lady...I enjoyed talking to her and hearing about her kids when we would sit in the pew next to her on Sunday mornings. She was so proud of them. I never had the privilege of singing in the choir with her while she was able to sing with us, but I certainly enjoyed the time spent in fellowship with her singing carols this past Christmas. Such a warm and welcoming person...she will truly be missed! :-)
