Sandra Patricia Ketterman

MAR 10, 1941 - AUG 6, 2012

In Memory of Sandra Patricia Ketterman

On August 6, 2012, Sandra left to be reunited with her husband Raymond and daughter Alice in Heaven. Born March 10, 1941 to Virginia and Olen Lowery of Easton Maryland, she grew up enthusiastic and eager to ride horses and dance ballet. Sandra was a strong, amazing and worldly woman who loved life. She knew no strangers and would smile to provoke happiness in the times of despair. She lived and travelled all over the world as a military spouse and with the US Air National Guard as a civil servant. Sandra achieved the distinguished assignment at the Pentagon as a Financial Analyst Liaison and retired in 2003. She moved to Deltona Florida to be in the Sunshine state. She absolutely loved spending time with her family, countless friends, “sweet-peas” and two dogs. To her this was the like being at the beach, the warm feeling of the sun shining on her cheeks and feeling the ocean breeze blowing through her hair. Her hobbies consisted of hand crafting butterflies from plastic and copper, teaching her friends how to macramé wine bottles and riding her scooter to the community mailbox with her faithful dogs and companions Chance and Penny saying hello to all of her neighbors with a smile on her face even though she knew the battery light was blinking. She was very unselfish and simply wanted to make everyone she came into contact with feel loved.

Sandra will greatly be remembered and missed by all who knew her. She is survived by her 4 children Leslie, Keith, Christina, Brian, 14 grandchildren and 12 great grandchildren.

Keep smiling Mom, we love you and know you are looking down upon us!

I am deeply sorry for your families loss. Our family had no idea until today that she had passed, infact, Michael will not even know until he gets home from work today.I know he will be deeply devastated, because she was like a Mom to him. Mrs. Ketterman only wanted the best for her family. May you all find peace in her love. And knowing that she is with God.

Hello Mother, This is not the end. By the way, you cheated. I will now have to wait till we meet again to finish our game of life. So many times you let me win just to not only prove a point, but to teach me a lesson that I now have to apply. My Mother, while I was a child, you were My Mother. My Mother, while a teen, you were My Mother and My mentor. My Mother, as an adult, you were My Mother, Mentor, and my Friend. My Mother, My Mother is the Angel that is now on my left shoulder. You now join My Father that is on my right shoulder. Angels, wrap your wings around me now. Protect me from this world I'm in, so I can rise again. I will miss you much, but I am sure your spirit will fall upon me when it needs to. Many Memories were made, and now I am realizing why you always said, "Make Memories" Love you and I already miss you. You're Son, Keith

Dearest mom, You were always an inspiration to me. You taught me there was nothing I couldn't do if I put my mind to it. You made me the person I am today. Thank you for all you did for us children. I will always remember your smile. Your smiling face will always be there when I see a butterfly or fairy. I hope you, dad, and Alice have found each other and you are perfect now. No more pain and suffering for either of you. I am sorry for the times I let you down. I'm glad I got to talk to you on Friday and tell you that I loved you. For that I am grateful. Soar high with the angels you have earned it. I will miss you! Love Leslie

Grandmom I will miss you SO much,you have been such an inspiration to me because you have showed me strength & wisdom. You have always given the best advice even when i was too stubborn to listen. I will never forget all the times you said we were "making memories". You never did get to finishing the recipe book you started for me but I will treasure what I do have of it,thanks for teaching me how to cook lol. I love you so much and am holding a very special place in my heart just for you. Now I have an angel on each shoulder looking over me.I will never forget those evenings we would go to Steak N Shake for milkshakes and sit in the car chatting and drinking them. Brayden & Carter sure will miss those scooter rides ;) RIP I will be thinking of you always

Sandra you were a dear friend and neighbor. I enjoyed our many walks together around the neighborhood. I think of you every time I take Precious and Tinker (our dogs) for a walk. I wish you were still here to push me to do it more often. You had a hard life at the end, so I know the Lord is ready for you to join Him and bring smiles to all those in heaven who knew you and will get to know you. Much love from us to you forever.
