Lisa Ann Angley Therrien

Lisa Ann Angley-Therrien passed away at home after a long illness in her home Deltona, FL, at the age of 48.

Born in Methuen, MA, where she lived half her life. She was raised in Lawrence and lived in Kingston, NH. She went to college at R.E.T.S and graduated and began working in electronics, which she loved, until the time of her illness.

She loved to cook her late grandmother's Italian recipes. Also was always scuba diving, traveling, snowmobiling and the beach. She was adventurous.

Survived by her mother Evelyn Angley, Daughter Meagan Danahy, Son Shane Danahy, Jr., Shane Danahy, Sr., her first love, Brother Michael Angley, his wife Nicole Angley, Niece Samantha Angley and Nephew Anthony Angley. Brother John Angley his wife Carol Ann Angley and Niece Barbara and Nephew Brian and Charley her dog (best friend).

She loved her children and her family. She was very giving with a beautiful heart. She cherished her son, always called him her 'baby boy' and was very close to her daughter; more like sisters. Along with her niece Samantha, they enjoyed their 'girl's night' once a week cooking and wine. Her smile lit up a whole room. Everyone is going to miss her and will always love her. She will never be forgotten. She left us all with great memories. You are in a better place with Nana Rose. We love you.

In lieu of flowers, donations may be made to the Angley-Therrien family in care of Baldauff Family Funeral Home.

Today I mourn the passing of an old friend I have not seen since our teen and early adult years. I remember the old days we used to laugh and meet with the gang on prospect hill. Lisa always had a smile on her face. We shared many a good time! Lisa was admired and liked by all walks of life! One would be pressed to find a more likable and loveable personality!
