Lawrence (Larry) 'Larry' Jay Jennings

JUL 26, 1954 - MAR 9, 2012

Lawrence (Larry) Jay Jennings of San Dimas, CA was born in La Mesa, CA. Larry primarily grew up in Goose Creek, SC. He was an active member of the Boy Scouts of America, graduated from Goose Creek High School in 1972 where he was a member of the High School Basketball Team and a Trumpet Player with the Gators Marching Band. He went on to attend the University of South Carolina and was a member of the Fighting Gamecocks Marching Band. While at USC he participated in the Opening Day Ceremonies of Disney World, Orlando, FL in 1973.

He later relocated back to Southern California where he graduated in 1978 from Pasadena City College with a Degree in Radiologic Technology.

While working at LAC+USC Medical Center, he met and eventually married Gayle Anderson on April 6, 1990 in Lake Tahoe, CA. They settled in San Dimas, CA. During their marriage, he worked at numerous medical clinics and hospitals throughout Los Angeles and San Bernardino Counties through registry companies. In 2001, he began employment at Foothill Presbyterian Hospital in Glendora and continued to work there until his death. Larry searched for many years to find the right place of employment and was very happy working FPH.

In his spare time he liked gardening, working with wood and stone, and especially loved fishing.

At the time of his death, he had driven cross-country with his wife to Florida to visit with his sister Debra and to meet his brother-in-law "Zappa" for the first time. His plans were to continue on to South Carolina and visit with his stepfather Bill Weaver and his wife Carole. Although he did not get to finish his pilgrimage back home, he had a wonderful time reconnecting with his sister.

Gayle & Family:I will truly miss Larry, he was a kind hearted man and always offered his help to people in need. I am working his shift at this time until another person is hired, these are tough hours to work and he was truly a dedicated employee to Foothill Presbyterian, I appreciated it when he would call me in at night and then help me if I needed help with my patients, he always put the patients needs first and was kind and personable to each and everyone. Gayle, my thoughts and prayers go out to you at this time and in the future as I will keep him in my prayers. It was a pleasure knowing him, may God be with you and your family today and always.Denise Jolicoeur
