Joan Louise Gosmeyer

APR 27, 1933 - FEB 3, 2012

Joan L Gosmeyer, 78, went to rest with her heavenly father on February 3, 2012 at home peacefully. Her sense of humor and kind smile imprinted the hearts of each life she touched. She and her late husband, Andrew were former owners of Gosmeyer Electric in Fairfield, Ohio. She is survived by her 8 children: Andrew (Terri) Gosmeyer, Edward (Joan) Gosmeyer, Michael (Linda) Gosmeyer, Cynthia Stableford, Hilda (Richie) Conrad, Joyce (Mike B.) Owen, Margaret (James) Hackney, and Kelly Cavin. She also leaves behind 14 grandchildren and 7 great grandchildren, as well as her sister Thelma Shutte and lifelong friends. She was preceded in death by her grandchildren Robert Hyde and Shannon McCain. We celebrate her courage that shined through her heart each day and all that she gave to us in spirit and in love. There will be a graveside service in St. Stephens Cemetery in Hamilton, Ohio to be announced, followed by a celebration of her life at the VFW in Fairfield, Ohio.

I was just made aware of one of the most precious of God's gifts went to join her heavenly father. I will always remember the many morning coffees we shared over almost 20 years. Her wisdom, her strength. My heart goes out to her family who will miss her forever.

Words cannot express how I feel about my Mother-in-law, She was a quiet but strong person that loved and cared for us with every part of her being!! She would subtly give advice when I needed it and would always see my point of view, whether she really did or not, I will never know? she was that kind of person. I would have never thought the Lord would need her more than our family, but He did, and we are going to miss her very much! I am probably a little bias, but I will always see Joan living through my wife, Margie, who undoubtedly loves and cherishes her mother with her heart and soul. I will always remember nothing but the good times we shared together. I was blessed to be a part of her life. Her journey on earth has ended, but will keep living in my heart. I love you Joan, and will miss you terribly. Your Son Jim

I grew up with my Aunt Joan in my younger life until we moved away. She was my mom's youngest sister. I loved being around her. She was so much fun and very caring. I will miss her, but thankful she is no longer in pain. I can visualize Joan and all her sisters and family playing cards, having a beer, laughing and having a good ole time in Heaven enjoying her new heavenly body with no pain.

Thank you, Mom, for the guidance through all these years of growing and somehow molding the way I'd live my life. Thank you for teaching me that you can love someone with everything and expect nothing in return. I miss you always and forever

I was privileged to be able to call Joan my friend. Before her health got too bad, she and I shared some fun times and some laughs together. We often walked around "the Circle" and then shared a cup of tea or coffee at the end of our walk. I have missed her not being able to still do that but God always knows what is best for each of us. I will always have the memories of this special friend. Someday we shall meet again. So long, Joan.

After much love and care by those who took care of my mother she has finally been freed from the physical bonds that hold all of us to this world. Her spiritual soul shall be with us until our time has come to depart, then we shall become as one sharing in the link that holds us together as a family. I love you Mom
