Dear Family: May the hope of Psalms 34:18 bring you much comfort during this time of sorrow. God's word assures us that he sees the difficulties and hard times that we go through and he cares very much for us (1Peter 5:7). We can look forward to the time when death will be no more (Revelation 21: 3, 4), and we will have the joy of seeing our dead loved ones again (John 5:28,29; Titus 1:2) My deepest sympathy to you.

Becky and Family, We are so very sorry for your loss and the pain that you all feel right now. Marion was a very special lady. We will miss all of her baked goods that she so loved to make. Time will heal all the pain. Just know that Marion is resting comfortably and now in peace. But here memory will forever live on through the entire family and friends that she has touched. We love you very much.
