Mom you are a woman of Faith in the death and resurrection of Jesus Christ of Nazareth. Mom you have excepted Christs forgiveness and salvation on what he paid on the cross for our sins and as I write this you are already in heaven with dad and Jesus.God gave you the wisdom in Christ.Praise Jesus and God put on my heart to see to it that you are both saved. Rescuing my parents and love ones from hell and seeing Christ save them is the most important part of my life. We will be together forever mom and dad and death will never seperate us because we believe in the resurrected Christ and stand and live on that faith.Mom the love I have for you come from Christ and that means I love you forget and I know you have that same love for me. I thank you for everything you done in my life,the protection,the wisdom,the kindness,the laughs,the pains,the understanding,the friendship,the fun,the family's get togethers , No matter what God choose you to be my mom and that means you are the perfect Mother even in your mistacks that we all are incline to.God made you uniquely beautiful and there is only one Betty Cruciata and that is fine with me.At this time I believe with all my heart that because of your faith and having a bible in the house God drew my heart to him so also I am save through the blood of Christ in his death and resurrection. God use you and Dad in my life and I really understand how valuable you and Dad are to me. You are my life and my world and mean everything to me.We are not dead in Christ all you and Dad done was pass from one realm of life to another. To simplify you and Dad pass from living life on earth To living life eternally in heaven.Praise Jesus and we will be together again for all eternally in heaven with Our Lord and Savior Jesus Christ. Love Always your son, Charles Cruciata
