I was fortunate enough to meet Geri during a great time in her life. We were able to share many stories of our families and luckily, we kept in touch even though she was no longer in the office. Each month I've sent a card hoping to keep her spirits high, but in reality, sending these kept my spirits up because I knew she'd call after receiving one. I'll miss Geri...miss hearing her voice, miss listening to her "smile" over the phone and miss her stories. What a great lady...a lady that's made me a better person.
