To me you were always a person who could find the humor, fun, and silliness in anything... A true talent that more people should possess. You are loved and will be missed by friends, family, and the people who had not yet had the opportunity to know you. All of the memories created at you and your family's house will always be close to my heart! I'm glad to have known you.

Patty was my Aunt, but she was only 3 years older than I was. We would play with our barbies together, dressing them in clothes my grandmother made for them.
