To My Dear Mary Ann and her family, No words can express the deep appreciation and love we have for you. You may not have been my blood sister, but we were as close as any two sisters could have been. You were always there for me during some very difficult times in my life. It was such a comfort to know that you were just a phone call away. Your adventurous spirit provided many memories of laughter and joy. Since you adopted me as a sister, you also inherited my two daughters, two son-in-laws, and four grandsons! They hit the jack pot when you & Gene became a part of our family. They adore you both!! The best gift you gave them was you witnessing who you were as a person. A Christian woman who was giving, caring, thoughtful, loving, and living for Jesus! What a great example for my children and grandchildren to witness. Thank you Jesus for giving us your servant Mary Ann Alban. Thank you Jesus for letting her be a big part of our family. Until I see you again in the glories of eternity with our Father in Heaven may you rest in His arms. Our family will love you always and will remember you as our loving family member who was always there for us. We love you, Carol & Charlie Notar
