My prayers and sympathy are with all of Lois's family. She was a special, giving person and a wonderful friend. Lois was the biggest Steeler fan I know and kept us all up to date on her team! I remember one special time that I had an out of town emergency and when I came home my refrigerator was full of all my favorite foods and Lois's special chili! That was the special kind of person Lois was to everyone. We miss her and wish her family well.
