I remember the first time I met Kurt...his impish eyes and beautiful smile, always ready to laugh, talk, share the adventure of life. Memories are like snapshots: you can take them out as often as you wish and redo them: may your memories keep a smile on your face and in your heart. Kurt: you were an awesome dad to Kurt, caring, thoughtful, loving, simply the best (don't ever forget that) I know Kurt will be watching over and making sure we keep smiling and enjoying and knowing that none of us will ever forget him for he was a treasure.

Kurt and Mom (Paula) Our thoughts and prayers are with you in your time of grief. May your memories bring you comfort. No bond is as great as that between a Father and son. Our deepest condolences are with you as you grieve. It can be so hard to face the new year without your son, but the love of family and friends can carry you through.
