My prayers to the Ball family. David was the greatest of friends to a once awkward,geeky kid and her family. He will be terribly missed! God Bless!

I still can't believe that he is no longer with us. He will come to cafeteria every morning looking to eat the breakfast potatoes. If I had a long face, he will tell me:"smile, you see it was not that hard and continued saying: I thank God for everyday I live." My mos sincere condolence to the family. I will always miss him every morning that I work. I still can hear his voice: Smile, you see is not that hard"
