My husband Jim and I have known Miriam for many years. Although we did not see her often we felt as though we were good friends, even family. She was such a generous person, to the extent she shared her beloved grandchildren with us. At the times over the years that I saw and visited with Miriam I was always struck by her positive attitude. I can't remember a negative thing she said. I knew her to be strong in her faith in God. I knew her to love her family dearly. She will truly be missed by many. With Love, Kay Cribbs

I was saddened to hear of Miriam's passing. We became close friends back in the early 80's when she and her family moved to Long Island, NY. We shared many good times together. Over the past several years, we exchanged e-mail messages. I will always remember Miriam's witty remarks and insight, and I will really miss her. She was very brave throughout her illness, and kept us all updated. I thought she was coming along nicely, but it was not to be. My heartfelt sympathies go out to her husband, Floyd, and her wonderful extended family. I'm thankful Miriam thought to send me photos from her family reunion back in 2008, with her 5 sons and their wives, and her 12 grandchildren, along with photos of her and Floyd together. They sure made a good-looking couple. May beautiful memories give you comfort, and may the peace of God sustain you through these trying times. With Love, Theresa
