I am so sorry for family and friends loss. I grew up riding my bike with her grandkids up and down the street from her house to my house. Always will remember how sweet she was. My heart is with Art, Laurie, Earl, Kasey, and Chris and the rest of the family. Sarah

I looked forward to Friday afternoon at Habitat for Humanity Restore when Evelyn and Art would stop by to say hello and look for a toy for their great grand son. Will miss her smile, and kindness, but know that she is now sharing in Heaven. God be with the family at this time. Donna Croker
