She was a wonderful person/friend/"adopted" sister....funny, sweet, kind, giving....always so full of life who loved to share her talents of sewing with everyone. She will be terribly missed by all of us who were blessed to have known her. Just know that my thoughts and prayers are with each of you as you go through this most difficult and sad time. I am really going to miss you Patty. You was one of the inspiring people I have known. I will always rember us drinking all of those margaritas and laughing so hard at some of your words you would say to us. And when we worked on the house refinishing all the woodwork. Boy did we work hard but we had some fun singing songs. I Love you Patty

There are no words to describe My Patty, she was a wonderful Wife, Mom, Sister, Grandma and Friend. I have so many wonderful memories with her. We had so much fun working together and sewing together (she could sew, I tried!) She had great pride in her family, I felt like I knew every one of them and wish I could have met them all. I thought Patty hung the moon. I am going to miss her terribly, I already do. I am so happy knowing that she is in heaven with her Mamma and Christina and no longer has pain. I have never met a stronger person. I love you My Patty.Punkie
