Jolee, Cindy, Laura and Ryan....Our deepest and most heartfelt sympathies go out to you at this time of your sorrow. So many memories over the years it hard to mention a favorite. Certainly boating would be high on the list and our trips to Mackinac Island, Bay of Finn and all the many other ports of call. So much fun, so many things to be grateful for. Helping us with our Street Rod by putting in countless hours of work and time was also a special memory and greatly appreciated. You were very important in Emmet's life as he was in yours. He was proud of his family and loved you no matter what, good times and not so good times. Remember the best of his life when you think of him and never dwell on the other. He will always be in your heart and with you in spirit continuing to look after you. Our prayer and thoughts will always be with you, Love, Bob & Carol and family
