David Young

AUG 14, 1946 - NOV 15, 2018

It is with great sadness that the family of David Young, 72 of Deltona, FL, announce his passing on November 15, 2018. Born on August 4, 1946 in Gainsborough, England, he took on the bold adventure to relocate to Missouri in the USA at the age of 14 to seek a better life. He continued to learn and work hard and did many things including teaching horse riding lessons before enlisting in the US military. He proudly served 21 years in the United States Army including multiple tours in Vietnam. During his deployment in Germany, he met the love of his life and married Anna H. Kopp on October 19, 1968. Upon his passing, they had just celebrated 50 years of happiness together. They also raised two children, David and Shirley, while living in Germany. He was preceded in death by his parents, and his three brothers Barry, Alan, and William. He will be lovingly remembered by his wife 'Marianne', his two children David and Shirley, their spouses Amanda and Ivan, his granddaughter Skylar, and several in-laws, nieces, and nephews in both England and Germany. Additionally he will be remembered by his extended family and close friends here in America. David had a passion for riding his road bicycle along the trails of Deltona and we were so proud that he put enough miles on his treasured Specialized Roubaix bike that he could have circumnavigated the globe! He was an avid sports fan and auto enthusiast who loved to watch European Soccer matches (especially his beloved Man U and FC Bayern), Formula 1 racing, the Tour de France and many motorcycle and auto races at Daytona Speedway. In his earlier days, he himself raced cars on dirt tracks. He was also an amazing cook who would create delicious and mouthwatering meals for family and friends. There is not another person around the "World Showcase" that has ordered as many Fish and Chips from the Rose and Crown at Epcot as David - always a favorite of his!

David, my uncle. So glad I got to meet up with you again this year and also introduce you to Pete. You both hit it off straight away and Pete loved hearing all the stories you had of your days in the military. I'm so sorry we can't make it for your service. We will remember you always and we cherish the memories we all made together. Till we meet again uncle David, love you xxxx

It is difficult to express the gratefulness for a friendship that lasted well over 40 years. There are so many shared memories - the birth of children, celebrations, supporting each other through tough times, and just the "everydays" which we often took for granted. We will always smile when we think about your laughter and your willingness to always have a good time. We will miss you our dear friend! Rest in peace..Danny and Marianne
