My condolences to Brenda, Ryan & Richard & his wife and grandchildren. Richards pride and joy was his family. He spoke so highly of Brenda Ryan, Richard and Amanda and all the grandchildren. Richard had the most positive attitude about everything always."Richie Rich" was his nickname from me. We worked together for 20 years and have so many memories together. I will never forget sharing a cubicle with Richard & his best friend Ken, oh the laughs we had, "Three's Company". Richard was an amazing man, so kind and helpful to so many people. He had a heart of gold and would help anyone at any time. One of the memories I will never forget about Richard and will miss forever is when he would walk in the room and he would say, "All Rise" made me smile and laugh all the time. I will hold those memories forever with so many more. He will be missed by so many. May he rest in peace.

My heartfelt condolences to Brenda, Richard, Ryan and their families. I worked with Richard for many years at CareerSource. He referred to me as "Sister Lynda" and said I looked like a pastor's wife until I opened my mouth---oops...lol. Richard has been a blessing to so many and a true brother in the Lord and although I will miss him dearly, I know that he will be forever in the presence of the Lord.

What can I say about Richard. Great soldier, awesome husband and father and an excellent friend. We became instant friends when I arrived to Leighton Barracks in Würzburg, Germany. We got there at the same time, me coming from South Korea, him coming from Fort Campbell, KY. Him and Brenda kind of adopted me because as a single soldier back then, I didn't have family time and they provided that. Always grateful to both for opening their doors to me and providing friendship and support. It is an honor to call you my brother in arms. Rest in peace.

My heartfelt condolence to Brenda and the entire Cuebas family for your great loss. I met Richard through membership at our Catholic church of St. Clare - the Cursillo Movement and Los Hermanos del P. Viana group. He always greeted me with a gentle smile. Encouraging ME!! The last time I saw him was at the Oncology Clinic where my husband had an appointment. for Iron Infusion. When he mentioned his illness three years ago - I would always give him a greeting of inspirational hope. As a man of faith Richard accepted his illness head on. Rest In Peace our friend.
