I am so very sorry to learn of Cindy's passing. Lisa and Jennifer attended school together with my children years ago. I knew Cindy to be an amazing, involved, supportive mother. Always at the ready to pitch in and help out at her children's school. It was a joy to volunteer alongside her. Always with a quick and easy smile, and a joyful heart. I remember her fondly, and was happy to later see her welcoming visitors to the Galaxy Middle School office with her smile and warmth. Hoping for peace and comfort for all who love and treasure her. May faith sustain you and sweet precious memories help to cushion your grief. With deepest sympathy, Vicki Bumpus

I met Ms. Zanaglio in 1999 when I became principal of Galaxy Middle School. We connected and formed a lasting friendship. I will always remember her smile and helping attitude. Above all, I knew that she was a Christian woman. We had many conversations where we were able to share the blessings of life. As my mother would say, "Every shut eye isn't sleep, and every good bye isn't gone." I pray to see her again some day. May God continue to provide comfort and strength to the family.

I have know Cindy for 25 years. We first met at Galaxy Middle School. Cindy was a sweet, caring, God loving women. We often prayed together and sometimes cried together. She was a rock in times of trouble. I will miss Cindy but she will always be in my heart. ♥♥♥I pray for her loving family that God will comfort them and give them strength during this difficult time.

I worked side by side with Cindy for 2 years and during that time I saw how genuinely concerned she was for everyone she encountered. Cindy loves the Lord! She would pray with me and always asked about my family. She was the same way with the students. She took the time to make sure that they all knew how important they were and tried to teach them life lessons. Cindy talked about her skiing trips and loved to brag about her grandchildren. God was always first and then her family. She was a very proud mother, grandmother, and true friend. I know she is in Heaven rejoicing and awaiting the day we will all meet her again. I love you Cindy!

Cindy was my room mother when Jennifer was in my class. I continue to see her when Lisa worked with me at Friendship. Then we worked together at Galaxy. She was such a genuine friend and supporter. When I went through Breast cancer she was there for me. She cared about each person she came in contact with her. I will always treasure our friendship. I am glad you are healed in heaven but you will be greatly missed here on earth. Rest In Peace my sweet friend.

I taught at Galaxy when she was there. Cindy cared for others well. She truly explified Jesus Christ in her life. Cindy will be missed, but is rejoicing in Heaven!

You never sugar-coated things; you said what needed to be said and always finished our discussions with a smile. You were deeply loved and will be sorely missed. Our Galaxy family mourns our loss, but knows we were blessed to have you in our lives while you were here (It is hard to believe that we worked together for more than half my life). I pray for comfort for all who love you.

When I first started working at Galaxy, Cindy was one of the first people that I met. She was so kind to me on that day, patiently explaining things to me and encouraging me for a great year. I will never forget her kindness that day and every day after. You will definitely be missed, Cindy. My condolences to the family and I hope that you are able to find comfort in this time.
