When my Dad (Eugene) was in hospice, he started to ask for Aunt Marlynn. She took a bus down to St. Pete & spent some time with him. I always will appreciate her sweetness in doing that for him. Also, another sweet memory was she told me that she could not have a baby for many years. When she had you, Luella Mae, she was absolutely thrilled! She said that you were so precious & I knew she really was thankful for you. Thanks for taking her home & caring for her. I really think a lot of her. You & your family are in my thoughts & prayers. Much love, Robin Ellinwood

Dearest Luella Mae and family, you all are in my thoughts and prayers at this time. Your beautiful mother and grand was a part of my childhood and always had a special place in my heart. I'll always remember her joy in becoming a mother. She loved all of you so very much and it showed in every thing she did.
