## **Joan S. Fudge**

MAY 2, 1940 - DEC 6, 2020

**T**he Lord Giveth- May 2, 1940 The Lord taketh away- December 6, 2020

Mrs. Fudge entered into her eternal rest on Sunday, December 6, 2020. She is preceded in death by her parents, Luther and Daisy Scott and husband, Robert Fudge. Momma Joan was a loving and caring soul and will be truly missed by all who came to know and love her. She was also an avid Clemson football fan, ultimately giving her the name "Tiger Joan". She leaves to cherish her precious memories, a son Scott A. Guthrie; grandson, Jason (Sarah); stepdaughter, Tracey; 4 grandchildren, Bailey, Mason, Roman and Isabella; niece, Sissy Hazen; caregivers, Isiah & Leona Shepherd; special friends, Jayne and John Poplin, George and Kaye Croft, George Morris, Jerry and Jean Lord, Richa and Maryann Voitel and the entire Saint Johns River Estates neighborhood in Debary, Florida and a host of friends and relatives.

### **Until we meet at Jesus Feet**

Those special memories of you will always bring a smile. If only I could have you back for just a little while, then we could sit and talk again just like we used to do. You always meant so very much and always will too. The fact that you're no longer here will always cause me pain, but you are forever in my heart. UNTIL WE MEET AGAIN!

When I first started running my food truck, she would call me and have dinner dropped off. We would chat for a few before I left. She was always so kind, and I loved our little chats

While I never actually 'met' Joan we were Facebook friends for many years. What a great loss. I'll miss our 'chats'.

This very special woman already is greatly missed here in DeBary. I first met her when I was running for mayor. We visited in her home and had the best discussions of city issues and personal things. She was an enthusiastic supporter and friend. We had other interactions over the past couple of years...always delightful. While she could not attend in person, she always watched our council meetings online and frequently had opinions about things affecting our city. Until we meet again...Karen Chasez

Joan was my cousin and she was my mother's "sister". Mom always said she and Barb were more like my sister's than her cousins. RIP peace Cousin Joan...until we meet again

Joan was my Sisters' best friend in their Youth - My Sister Lessie was killed in an auto accident at age 19. Joan was always like a big Sister to me - because of the Friend she became to Me. We could talk about any subject and have fun and laughter. I will miss Joan - Thankful she is at Peace and Home...with many Family members including her Sister Barbara that died at an earlier age. Tell them all Hello for Me, Joan and I'll see you soon. Love You

Mama Joan and I had been Facebook friends for months and we decided it was time to meet for lunch. She was having a great day so we met at the DeBary Diner. We talked for a couple of hours face to face and have been talking every since. As time passed Mama Joan became uncomfortable driving. We had the same hair stylist Tammy Lovell so we started scheduling our appointments consecutively. Last month we went to our last appointment together. Today we were scheduled for our usual appointments. I found myself driving to her house. Needless to say I was late for my hair appointment. Tammy was her usual gracious self and understood. Mama Joan. You have so many people here in DeBary who will never forget the love you shared with them. Hugs from Jerry and Jean Lord
