I have so many fond memories of Don I wouldn't even know where to start. He's been in my life since I was 15 years old. My sister his wife Kathy was in love with him from the moment she laid eyes in him so many years ago. Don was always a kind soft hearted man. I know He and Kathy are probably playing skipbo or some board game sipping on a cold beer talking about old times, and listening to the Beatles or some of the best rock n roll of all time. I love you both forever. Until I see you all again. Rest In Peace. With all my love, Cindy (Cin)

Yes Dear CINDY, I was 15 too and I introduced Kathy to Don at a one of the Pine Hills Boys Club Dances we were only allowed double dating in that time. His best friend Lee Totten was a boy I dated a little while but Kathy was crazy about Don. He was my friend and She was and always will be my Bestest friend forever. I know we will be playing those games together one day. I know he was never the same after Kathy went first. He did Love her and Your whole Family! My deepest sympathies to his Sister Bobbie and family. I've missed Kathy so very much but I know She's finally at rest if Dons with her now!!! May they both Rest in the Loving Arms of Our Heavenly Father along with all the Friends and Family our clan has already gone on before US. God Bless You CINDY, TERI & ROBERT and Family and Friends 🙏💙🌸... Kathy Boyd Hubler!!!
