Gloria, Bobby called me yesterday to tell me that Gary had died. It has been a long time since we had worked together. Gary was one of my favorite people in the Orlando Region. He could tell a story! I miss the stories that had me doubled over in laughter. Gary was also a loyal friend. I understand the service is in Georgia. Richard and I are praying for you and your family. Blessings, Claudia Sava

Wishing Gary's family our deepest condolences and prayers. We have wonderful memories of functions at Ford Motor Credit. I personally worked with Gary on many occasions for financial considerations for customers. I always knew he assisted fully to achieve our requests. He was a true pleasure to know and work with. He was a great man and friend. Mike Waitkus @ Texas Motors Ford

Gary Glen Trawick Sr. By far one of my absolute favorite agents to work with over the last 8 years! I will miss the goofy phone calls, emails and all the laughs we had about my football team & how they continue to suck it up! Please keep watch over all as I have a long way to go in my career in insurance! Definitely you will be missed!!
