Bruce Anthony Molle'

APR 15, 1948 - OCT 23, 2024

It is with deep sadness, we share that Bruce Anthony Molle', 76, passed away on October 23, 2024, after a brave battle with congestive heart failure. Bruce was a man of quiet strength and deep love who cherished his family above all. His generous spirit, warmth, and devotion left an indelible mark on everyone fortunate enough to know him.

Born in Hahira, Georgia, to Doris Johnson-Molle' and Anthony "Tony" Molle', Bruce embraced life with a love for both people and nature. His happiest moments were spent on the ocean, fishing under the open sky—a passion that brought him peace and joy throughout his life. Bruce was also a gifted cabinet maker, known for his craftsmanship and dedication to quality. His work was a reflection of who he was—steady, precise, and filled with care.

Bruce now rests peacefully, reunited with those he dearly missed: his beloved wife, Carol Henwood-Molle', his sister Marleen Bazzano, his brother Donald Molle', and his parents, Doris and Anthony Molle'.

He leaves behind a legacy of love in his children, Brett Molle', Tara Briceno, and Michelle Taylor, along with his former spouse, Cindy Molle'. Bruce's memory will live on through his 10 grandchildren, 2 great-grandchildren, and many cousins, nieces, nephews, and lifelong friends who were touched by his kindness and humor.

To celebrate Bruce and the love he shared, a Celebration of Life will be held on November 2, 2024, at 4:00 pm at Baldauff Family Funeral Home.

In honor of Bruce's memory, friends and family are invited to send flowers, plants, or plant a tree to continue his legacy of connection with nature.

I just learned of Bruce's passing this afternoon....I can't tell you how sad I am to hear this....he was one of my best friends in high school and hadn't communicated for several years until we reconnected a couple of years ago...I had tried to call him about the time of his death and didn't reach him nor did I get a call back...I knew he had heart issues and was worried....I also can't begin to tell you how many times he, Pat Donovan, Cosmo Zanzarella and I found great mischief and fun...he spent many overnights at my home and me at his...his mother made the best lasagna ever...went down to Yonkers once with his family and met his aunts, uncles and cousins....also went to work at a big construction site with his dad who always scared the hell out of me...Bruce was an incredibly gifted athlete and I felt bad he never took real advantage of those skills to his fullest...sad, sad day for me and Godspeed Bruce
