# Rhyanna Elizabeth Flynn

JAN 12, 1998 - JAN 27, 2026

**R**hyanna Elizabeth Flynn left her earthly body to be wrapped in the arms of our Lord on January 27, 2026 at the age of 28 peacefully in her sleep at home in Debary, FL.

Rhyanna was a beautiful bright light that radiated life and happiness. From the moment she was born she knew her purpose on earth was to show you love so pure like no other you would be prepared to understand. To see the world beyond face value and she accomplished that for 28 wonderful years. Rhyanna's struggles in life were obvious, abundant, and unique, but so was her joy. Her limited abilities did not stop her from showing love or doing what she loved. Often laughing in inopportune moments or at the rebuking of others and sometimes, for what seemed like, no reason at all. She appeared to know something others did not; that life, no matter the trials, was a gift and was meant to be enjoyed and cherished always.

As a tiny one she loved interacting with people, being outside, listening and dancing to music, and eating everything she could. There were no foods that were off limits. This continued throughout her entire life. She loved school starting her first days at Starke Elementary, Spirit Elementary, Manatee Cove Elementary, River Springs Middle School, and graduating from University High School. Her eyes would light up when the school bus would approach, and she loved every part of those rides to school whether it was 30 minutes or 5 minutes. She loved her friends, laughing when schoolmates or her siblings were reprimanded or did inappropriate things. She loved thrilling adventures. This includes riding rollercoasters and water rides at Disney, sled riding and playing in the snow in West Virginia, the county fair rides and shows, the Oktoberfest rides, train rides, the Sunrail, the side by side, 4-wheelers, and flying in an ultralight plane. She loved activities like swimming, riding on boats, bounce houses, and blow-up slides. If we could get her in it or on it, she was doing it and loving it because her family saw no limits. She loved petting animals of all kinds and loved when animals loved her back.

Rhyanna's biggest passion besides having fun, loving animals, being around friends, and enjoying her time with family was food. She had quite the palette. Sweets were her favorite. She never found a cake she did not like. Rhyanna could bring joy to the saddest moment and understanding in the most confusing times. You could walk in a room and she would either give you a look that questioned what you just were doing or a belly laugh that made you feel like you must look like a clown. You will be forever missed and always loved.

She was born on January 12, 1998 in Winter Park, FL. Rhyanna is survived by her parents; Heath, Heather and Kenny, brother; Liam, sister; Kameron, grandparents; Steve, Barbara, and Phyllis. Aunts; Izzy, Brittney, Nicole, Julie, Katrina, Anjanette, and Bonnie. Uncles; Josh, Mark, Kenny, Ryan, Steve, Bob, and Todd. Cousins; Kane, Dylan, Emma, Courtney, Trinity, Josh, Brooke, Joel, Julia, Logan, Karen, Christopher, Nicholas, Bradley, Johnathan, Alicia, Daniel, Kenneth, Aiden, Jocelyn, and Liam. She is united in heaven with her sister Madelynne, grandma Grace, great grandma Anna, Mimi, great grandma Opal, great grandpa Aubrey, and along with all her pets over the years.

Holy Sacrifice of the Mass will be at 8 am Thursday February 12 at St. Ann's Catholic Church 26 Dogwood Trail DeBary, FL 32713.

Celebration of life will be held at Cornerstone Church 2813 Howland Blvd. Deltona, FL 32725 and will be announced at a later date.

Rhyanna Elizabeth Flynn was a shining light in my classroom. I was one of her teachers in high school and she was a student of mine for 4 years. Rhyanna used whole body communication. She emanated love, joy and empathy. She shared her likes, dislikes, curiosity and humor. She never missed a beat in the classroom. At our Disability Awareness display on UHS campus, Rhyanna was chosen to be the "greeter" and what a job she did! She drew the student body in with her personal flair and then confidently demonstrated how she used augmentative switches to aid her communication. Rhyanna was blessed with a loving family. Rhyanna's mother is another shining light. Kind, patient, tireless. She supported all UHS activities and students. With my deepest sympathy for your loss of RhyannaLove,Michelle Gallagher

I will always remember your visit to Shadyside and her first sled ride! She smiled so big! I remember that we had baby bunnies at the time and we put one on the tray in front of her. Do you remember how gentle she was with it? What a priceless, precious gift she was.
