“ I have known Dee for many years. She taught me all about Scottie's, including showing, grooming, breeding, and so much more. We lost contact for awhile, and reunited in October. It was as if we never lost contact. I moved back to Florida and we were planning to get together at the end of January, however it was not meant to be. I am so grateful that we got to talk the hours spent on the phone! One thing she emphasized was how proud she was of Tiffany, Diana, Greer, and Gaby. Her girls were the loves of her life, as were her beloved Scottie's. I know she has been reunited with them at the rainbow bridge. I'm sure she has been reunited with her parents as well. Dee was such a beautiful and gracious soul. She will remain in my heart as my dear friend always. I never got the opportunity to meet Greer, Gaby, or Shelly, but I was blessed to meet Tiffany and Diana. My deepest condolences to you all. Much love, Sara Fleckenstein.

“ I was so saddened to hear of Dee's passing. In the twenty plus years I've known her, I never knew her to be unkind to anyone. A true lady ; gracious and caring. A devoted daughter and mother, she loved her family dearly and I know you all must be hurting. Dee had a subtle sense of humor and was wicked funny! She was an incredibly loyal and giving friend who would go to great lengths to help a person.

My thoughts and prayers are with her family. One thing I believe with all my heart is that we will be reunited with our loved ones. There must have been mad celebration at the Rainbow Bridge.

“ I'll always remember Dee as one of the nicest people in the dog showing world, she never had a derogatory word about anyone or their dogs. She will be missed.
