He was always there for our family, encouraging us, loving us, and cheering us on. He liked to have fun. Even though he never wanted them, he loved every animal we ever brought home. He will be greatly missed by all who knew him.

“ I will always remember how he loved to talk and visit. He had so much to share and his heart was so full of love and laughter and caring. When our son, his cousin Stacy got married, he came for the wedding. However I learned he really came to dance and Aunt Jane became his willing partner. As long as I live I will never dance that much again. He loved his family and friends and gave all he had to give. Bobby, tell Mary and Shelley and all the others who have run ahead, we will miss them till we meet again. No more pain my sweet nephew. Love you forever. Aunt Jane and Uncle Gene
